

# SADCAS Publishes Additional Promotional Material

SADCAS has published a new pamphlet for the Product Certification Bodies Accreditation Program, in addition to the array of promotional materials already available. The pamphlet is intended to provide a microcosm to stakeholders on the SADCAS' product certification bodies' accreditation program (CBAP – Prod) and accreditation process.

The pamphlet briefly provides a background on the CBAP - Prod, the need for accreditation, the areas of product certification accredited by SADCAS, the benefits of using an accredited product certification body, the accreditation criteria, the accreditation process, assessors, the accreditation certificate, the complaints and appeals process and accreditation fees.

The pamphlet which is available in English, French and Portuguese can be downloaded from the SADCAS website by following the link <http://www.sadcas.org/promotionalMaterial.php>.
