

Publication of Issue 4 IAF MD 5:2019

This serves to announce the publication of Issue 4 of IAF MD 5:2019 IAF mandatory document for the **Determination of Audit Time of Quality, Environmental, and Occupational Health & Safety Management Systems**. This revised version of the document was published on 7 May 2019.

This document is mandatory for the consistent application of the relevant clauses of ISO/IEC 17021-1 for audits of **quality, environmental and occupational health and safety management systems**. All clauses of ISO/IEC 17021-1 continue to apply and this document does not supersede any of the requirements in that standard. Although personnel numbers (permanent, temporary, and part time) of the client are used as the starting point when considering the determination of audit time of management systems, this is not the sole consideration and account shall be taken of other factors affecting the audit time, including all those listed in ISO/IEC 17021-1.

The document was prepared by IAF Technical Committee and approved by IAF members of which SADCAS is an Accreditation Body Member.

The application date of the Issue 4 of IAF MD 5: 2019 is 07 May 2020.

The published document is available from the IAF website:
