

Announcement – Publication of ILAC G26:11/2018

This serves to announce the publication of ***ILAC G26:11/2018 Guidance for the Implementation of a Medical Accreditation Scheme***. The ILAC G26:11/2018 is a practical guide for accreditation bodies implementing a medical laboratory accreditation system using ISO 15189. It identifies key aspects of the standard, points out its unique element, and provides advice for the development and maintenance of an accreditation program that is based on ISO 15189.

The published document is available from the ILAC website <http://ilac.org/publications-and-resources/ilac-guidance-series/>.

This guideline was prepared by Working Group (WG) 6 of the International Laboratory Accreditation Cooperation Accreditation Committee (ILAC AIC). SADCAS is a full member of ILAC and participated in the revision of ILAC G 26.
