

Publication of SADCAS TR 09 Issue 7

This serves to announce the publication of **SADCAS TR 09 - SADCAS Policy on Metrological Traceability of Measurement Results [Issue 7]** by the Southern African Development Community Accreditation System (SADCAS).

The purpose of this document is to describe the SADCAS policy with regards to the metrological traceability requirements in testing and calibration. The document also applies to other conformity assessment activities where measurement is involved (e.g., medical laboratories, inspection, reference material production, proficiency testing providers).

The document was revised to align with ILAC P10:07/2020 - *ILAC Policy on Metrological Traceability of Measurement Results*.

SADCAS TR 09 was prepared by the SADCAS Technical Manager and approved by the SADCAS Chief Executive Officer on 16 February 2022.

The published document is available on the SADCAS website <http://www.sadcas.org>
